Your college sports experience starts here.

Welcome to the NAIA Eligibility Center!

Each year, NAIA colleges and universities award \$450 million to 60,000 student-athletes. With that aid comes a great education, a personal touch, and a shot at one of 23 NAIA national championships.

Make sure your students have a chance to play in the NAIA.

This September, the NAIA Eligibility Center – www.PlayNAIA.org – will start registering high school students for NAIA eligibility. To play NAIA sports in 2011-12, every student must be registered with the NAIA Eligibility Center.

It's a simple process for students:

- register at PlayNAIA.org
- use 9876 to send SAT/ACT test scores
- send a final transcript direct from high school to the Eligibility Center.

It's that simple!

Requirements for high school students interested in playing in the NAIA have not changed. The only difference is that eligibility is first determined now through the NAIA Eligibility Center.
